SPRINGFIELD – March 21, 2020 – With hygiene being a key component to slowing the spread of COVID-19, All In One Laundry Center & Services remains open to ensure members of the community have access to clean laundry. We have implemented Curbside Wash, Dry & Fold Service to avoid crowds – just drop off your laundry and pick it up. Laundromats have been classified as essential businesses and remain on the front line in fighting the spread of the virus. “Clean, hygienic clothes and linens are instrumental in helping reduce the spread of the virus. Clean laundry has never been more important,” said Pamela Frazier, owner of All In One Laundry Center & Services. “Rest assured, we are taking all necessary steps to ensure a safe clean environment for staff to perform this task. Working off CDC recommendations and guidelines, we have implemented a rigorous cleaning routine for the business. Together, we can win this fight and return to normalcy.”

All In One Laundry Center & Services uses commercial washer-extractors and gas-fired tumble dryers which achieve higher temperatures than home laundry units.

Located at 801 South Grand Avenue East, All In One Laundry Center & Services is open Monday through Sunday from 6:00 a.m. to 10:00 p.m. The laundry center also offers Coin Laundry, Dry Cleaning, Alterations including Pickup & Delivery for Residential and Commercial accounts.
