Maintenance Supply Corporation

Earns CILCSA's "WOW Award" for Going Extra Mile

SPRINGFIELD, IL January 8, 2021–

Maintenance Supply Corporation recently was recognized as the Central Illinois Customer Service Association's (CILCSA) WOW Award recipient for outstanding customer service. The "WOW" Award is CILCSA's opportunity to recognize those in the Springfield area that inspire us through superior customer service or random acts of kindness.

Maintenance Supply Corporation has been serving the needs of residents and businesses in Central Illinois since 1990. The company offers a team of trained, dependable, and trustworthy professionals to deliver superior quality and service on every job from commercial and janitorial services to residential and commercial window cleaning.

CILCSA Board members presented Jennifer Wagner, Maintenance Supply Corporation President, and the Maintenance Supply Corporation team with the award on Tuesday, December 7th at company headquarters. The locally owned company was nominated for going the extra mile to create happy customer experiences. One example noted in the nomination submission highlights a time in which Maintenance Supply Corporation employees dressed up as superheroes to bring smiles to patients of HSHS Children's Hospital while cleaning windows at the same time!

During current times, Maintenance Supply Corporation reminds all of us that customer service gestures such as these, go a long way to creating a better community. "Our employees really deserve all the credit for this award, because they are on the front lines and do the hard work", shared Jennifer. "We are thrilled to be recognized by CILCSA!"
